ETIENNE POLAERT, GSE'S NEW BUSINESS DEVELOPMENT DIRECTOR, OFFICES

GSE is strengthening its team and announced the arrival in Paris of Etienne POLAERT, the newly appointed Business Development Director in charge of growing the Offices line of business. Joining GSE's Commercial, Industry and Engineering (CIE) department, he will report to Thierry CHAMBELLAN.

A graduate of the ESTP Paris civil engineering school and the ICH Paris school for real estate professionals, Etienne POLAERT, 44, has more than 20 years' experience and expertise in the management and development of real estate projects of various types.

For six years (2000 to 2006), he was Programme Director at NEXITY-GEPRIM, where he was in charge of setting up operations and monitoring execution. From 2006 to 2015, he was Director of Development Projects at CIBEX, in charge of the developing and setting up operations, before taking over the Real Estate Development department at GELE, from 2015 to 2018.

GSE's CIE department provides integrated engineering, relying on the variety of skills within the group (R&D, BIM, environmental, legal, assembly, etc.) to handle complex projects – from design to completion.

"Etienne POLAERT's interpersonal skills, expertise and rigorous approach will be major assets to support the strong development of GSE's Commercial, Industry and Engineering department, which is now at the heart of the group's growth strategy," said Thierry CHAMBELLAN, GSE's Deputy Managing Director.

Etienne POLAERT is also a member of the Royal Institution of Chartered Surveyors (RICS).
