## **DAMIEN VERNIER APPOINTED AS GSE'S SALES MANAGER - FRANCE**

As GSE grows its logistics real estate business, the company just appointed Damien Vernier to head the French Sales Department. Having developed GSE's commercial activities in China, Damien joined the French team in 2006 for key account projects. In addition to the French business, he will actively support clients in their international real estate development projects in geographies where GSE is present (seven locations in Europe plus China).

"Our growing business requires us to create new sales positions. Damien Vernier will be in charge of their integration," said Roland Paul, CEO of GSE.

### **Logistics real estate: an essential part of GSE's business**

In 2017, GSE delivered 20 projects covering a total of 576,000 m<sup>2</sup> (6.2 million square feet). These projects include several logistics platforms, such as the 60,000 m<sup>2</sup> (645,000 ft<sup>2</sup>) platform for Scaso (supplier of the E. Leclerc hypermarkets) in Beychac-et-Caillau (outside Bordeaux), the 24,000 m<sup>2</sup> (258,000 ft<sup>2</sup>) Barjane/Biocoop platform in Noves (near Avignon) and the 61,000 m<sup>2</sup> (656,000 ft<sup>2</sup>) Schaeffler plant in Germany. The emblematic projects signed in 2017 are the 126,000 m<sup>2</sup> platform for Carrefour (31 acres, the equivalent of 50 football pitches) in Poupry (north of Orleans), the 88,000 m<sup>2</sup> (947,000 ft<sup>2</sup>) platform under construction for Goodman/Auchan in Hungary and the two-floor platform for Vailog/Ikea in Gennevilliers (outside Paris).
