Avignon,

GSE RECRUITS A NEW FOOD INDUSTRY DEVELOPMENT MANAGER

Liès Branche, 25, holds a *Diplôme Universitaire de Technologie* in Mechanical and Production Engineering, a Bachelor's degree in Technical and Commercial Engineering from Lyon 1 University and a Master of Science in Business Engineering from the Kedge Business School in Toulon.

After his studies, Liès Branche spent six years as a Development Manager at EDEIS (formerly SNC-Lavalin). He worked in particular on prospecting, technical and financial offers for projects supervised in project management and turnkey mode, for clients in the food industry.

Liès Branche joins GSE's Retail, Industry and Engineering department as a Development Manager for the Food Industry.

He will be based at the Lyon office, where he will work closely with François Girard, GSE's Director of Industry Relations.

"Lies' experience and network will strengthen our development in the Food industry. This is in line with our development strategy for this industry, which is emerging as a strategic line of business for the group, driven by a growing number of value-creating projects," said Thierry Chambellan, GSE's Retail and Industry Director.

ABOUT GSE

GSE is a major player in commercial property and the leader in the “turnkey” market. GSE oversees all design, construction and/or renovation work with a promise on price, deadlines and quality.

The company is managed by CEO Roland Paul. It employs 367 people and generated revenues of €429 million in 2017, carrying out a total of 70 projects.

A division dedicated to agribusiness accompanies the industrial companies on their management of flows, logistics, storage, process and cold equipment. GSE has a very high expertise / know how of high-bay storage with the implementation of automated stacker cranes.

GSE is established in Europe and China.
